Report Highlights:

Under the auspices of the U.S.-Morocco Free Trade Agreement, on November 10, 2017, Morocco's Cereals Office (ONICL) announced the results of the second U.S. wheat tender of calendar year 2017.

As a partial result of the re-tendering and subsequent successful allocation, 2017 will mark the first year that the United States makes full use of its allotted TRQ for common wheat. The second tender for U.S. durum wheat was unsuccessful.

US Common Wheat TRQ Fully Allocated in 2017

Under the auspices of the U.S.-Morocco Free Trade Agreement, on November 10, 2017, Morocco's Cereals Office (ONICL) announced the results of the second U.S. wheat tender of calendar year 2017. As a partial result of the re-tendering and subsequent successful allocation, 2017 will mark the first year that the United States makes full use of its allotted TRQ volumes for common wheat. The second tender for U.S. durum wheat was again unsuccessful.

The table below summarizes the tender results:

Product	Tender Opened	Tender Closed	Quantity Offered	Quantity Accepted
U.S. Common Wheat	Oct 24, 2017	Nov 10, 2017	30,000 MT	30,000 MT
U.S. Durum Wheat	Oct 24, 2017	Nov 10, 2017	327,273 MT	0
